## Vargas Quits to End 15 Years as Brazil's Leader

Supreme Court Justice Assumes Post—Resigned Minister of War Back in Office

RIO DE JANEIRO, Oct. 30 (Tuesday) (AP)—Resignation of Getulio Vargas as President of Brazil was announced early today with Supreme Court Judge Jose Linhares assuming the presidency.

Gen. Pedro Aurelio Goes Monteiro announced the resignation of Vargas. Goes Monteiro resigned late yesterday as Minister of War but early today he announced he had reconsidered at the request of army officers and had resumed his post.

Selection of Linhares as successor to Vargas was in line with the provisions of the 1937 constitution which provided that in the event of the President's death or removal he should be succeeded by the head of the Supreme Court.

Linhares' appointment generally was regarded by Brazilians as merely a stopgap arrangement.

Opponents of Vargas had suggested that he resign and permit general elections scheduled for December to be held while Linhares served as President.

Vargas, who came to power in Brazil in 1930, himself is not a candidate for the Presidency.

An official announcement from the office of the chief of police, which said Linhares had assumed the Presidency, stated that Joao Alberto Lins de Barros, who yesterday was ousted as chief of the Federal police by Benjamin Vargas, younger brother of Getulio Vargas, was assisting Linhares. The announcement said De Barros had resumed his Federal police post.

Shortly after it was first reported Vargas had resigned, army tanks were seen entering the grounds of the Presidential residence and Vargas was observed leaving in an automobile.

The Minister of War said Vargas had resigned "in order to avoid greater unrest from political motives." The Presidential power, he said, passed to the president of the Supreme Court.

## From Europe Day by Day—

THE TIMES, London  
News and Comment on International Events selected from The Times daily and published in The Daily Colonist by special arrangement with The Vancouver Daily Times.

Copyright, 1945, by Southern Co.

LONDON, Oct. 29.—There is nothing in President Truman's creed, stated in New York, Saturday, to which British policy can not subscribe with a whole heart. This is the considered view of The Times, expressed editorially today.

But The Times goes on to say, as expressed by commentators in the United States already, difficulties in international affairs are all concerned with application rather than enunciation of principle.

Foreign policy is nine-tenths application of general principles to particular cases. Particular cases now arising are of a number and complexity that have seldom been presented to collective statesmanship of the world.

Most sane-minded persons will scarcely maintain that Mr. Truman's 12 principles can be applied today with equal completeness to a Europe that has not yet emerged from chaos, this being especially true of Eastern Europe, The Times adds.

Speaking about the President's atomic bomb pronouncement during his address, The Times declares that what is coming of bomb demands is a new urgency and intensity in the efforts already being made to save the world from self-destruction.

In an article dealing with current misunderstandings and mutual suspicions regarding Russia, the special correspondent has this to say: Recurrent "crisis" in Anglo-Russian relations—a tension not confined to recent conference—is a crisis of confidence.

This lack of confidence results from the lack of common language, common tradition, common outlook—in a word, of enough mutual understanding to accord an adequate basis for frank discussion or enough mutual confidence to remove suspicion of each other's motives.

**WHITE STUDENTS STRIKE**  
GARY, Ind., Oct. 29 (AP)—All but about 100 of Froebel High School's 410 white students were absent from classes today in a renewal of their strike in protest of what they said was favoritism shown negro students by Principal R. A. Nuzum.

## Fears of Civil War in North China Cause Concern

By JAMES D. WHITE

Associated Press Staff Writer

IS China embarking upon the much-feared civil war between the recognized Central Government and the unrecognized Communists? Both sides publish threats and accusations which make headlines around the world, some treating civil war as an accomplished fact. They are serious threats, both ways. If true, they make the recent agreement on national unity, reached between Gen. Chiang Kai-shek and Communist Leader Mao Tse-tung, look pretty empty.

But it is still impossible accurately to assess from this distance how serious these threats and charges really are, and whether they represent a real intention to fight. Here is a fact against which reports from China must be judged: The Communist side of the argument is not being fully heard in North America.

The Communist capital at Yenai operates a radio, but few, if any, of its broadcasts are reported in this hemisphere. Meanwhile, the chief outlet for the Communist viewpoint actually is in Chungking, where a Communist delegation and propaganda office function. What these Chinese Communists have to say must pass through Chungking's own censorship before it is transmitted abroad.

At the same time a British Government mission headed by Lord Keynes has been in Washington for weeks attempting to reach an agreement with the United States on the financing of Britain's postwar trade and general economic questions. Canada is deeply interested in these discussions and determination of Canadian policy of credits to Britain is held up pending the outcome of the Washington meeting.

Between Marshal Stalin and the President on the subject of the questions left unsettled at the Foreign Ministers' conference.

## Attlee May Be Invited to Visit Canada

OTTAWA, Oct. 29 (CP)—Forthcoming discussions between President Truman of the United States and Prime Minister Attlee of Great Britain in which Prime Minister Mackenzie King may participate are considered to be of the highest importance.

There was no official confirmation here today that Mr. King will join the other two government leaders at Washington, but there would be little surprise if he does and at the same time invite Mr. Attlee to visit Canada.

Mr. King has cut short his overseas trip and plans to return to Canada without visiting Canadian troops in Europe, Canadian battlefields and western European governments as he had planned.

The occasion of his visit was to secure information on the tangled international situation, particularly in reference to difficulties which developed at the recent conference of the "Big Five" Foreign Ministers in London.

Since the conference Mr. Truman has sent a personal message to Marshal Stalin, who has received the United States Ambassador. Presumably there has been a direct exchange of views between Marshal Stalin and the President on the subject of the questions left unsettled at the Foreign Ministers' conference.

At the same time a British Government mission headed by Lord Keynes has been in Washington for weeks attempting to reach an agreement with the United States on the financing of Britain's postwar trade and general economic questions. Canada is deeply interested in these discussions and determination of Canadian policy of credits to Britain is held up pending the outcome of the Washington meeting.

## Chinese Communist Troops Cut Vital Railway as Fury of Fighting in North Increases

Start Discussions On Reparations

PARIS, Oct. 29 (AP)—British, American and French delegates began today preliminary discussions on German reparations, preparatory to official tripartite talks opening November 11. The talks will pave the way to a formula for sharing 64 per cent of total German reparations.

Russia having been allotted 36 per cent by the Potsdam agreement.

Movement of Government Forces to Zone of Undeclared Civil War Seriously Hampered

CHUNGKING, Oct. 29 (AP)—Communist troops have cut 100 miles of the great Peiping-Hankow railway—lifeline for Government forces hastening toward stormy North China's undeclared civil war zone—official dispatches reported today.

The Communists struck south of Peiping, cutting rails, blowing up bridges, destroying stations and burning railway stock on the railway northward from the Red-held town of Tzschien.

Government sources admitted the movement of troops was seriously hampered, for with the acute shortage of labor and materials it will take time to get this vital traffic artery functioning again.

Despite temporary loss of the railroad, semi-official dispatches said Central Government troops were moving northward out of Peiping along the railway to Manchuria's Mukden to take "defensive positions" along the Great Wall.

Other Chungking dispatches said the fighting was rising in fury in the seaboard province of Shantung with its strategic ports, and westward through the rich province of Shansi and on into Suiyuan province of Inner Mongolia.

While the Chinese Communists fell back before the superior force of Central Government troops, they were leaving in their wake ripped-up communications lines.

Independent reports said they also had destroyed tracks and bridges along the railway from Pukow, which links Nanking in East-Central China with the city of Tientsin, southeast of Peiping.

Both the Peiping-Hankow and Pukow-Tientsin railways are needed by the Chinese Central Government to get troops into North China to replace United States Marines in the Peiping-Tientsin zone.

More Government troops were pouring into Wuhan, on the Yangtze about 60 miles southwest of Nanking, where an additional 60,000 Japanese have been disarmed.

Chungking was rife with rumor. The postwar perils of famine, flood and economic depression took a position of secondary concern while the Government strove to keep the growing clashes localized and prevent all-out civil war.

CHUNGKING, Oct. 29 (AP)—A Southeast Asia Command communiqué said today sailors from the French battleship Richelieu occupied Saigon, port city south of Hanoi, as the Annamese rebellion against the French in Indo-China waned.

The communiqué said the sailors, who entered Saigon Sunday, were supported by guns from the French corvette Gazelle. Sharp encounters were reported elsewhere in the Cochin region.

Meanwhile friction developed between the Chinese and the British-French forces.

Chinese were prepared to protest to Maj.-Gen. D. D. Gracey, Allied command commander, against deprivations they said were perpetrated against Chinese residents of Saigon by Indian troops.

Charles G. Garland, night watchman at the Bennett & White Construction Co. Ltd., building project at Simon and Braefoot Roads, Saanich, escaped possible injury at 6:30 a.m. Sunday when a bullet fired by an unknown person narrowly missed him.

Mr. Garland, who reported the incident to Saanich police, said he had finished his regular tour, and had just returned to the company office when he heard a car door close.

"I went down Braefoot Road to investigate, and when I was 65 feet from the intersection I heard a bullet whistle past my head," he said. "I was trying to get the license number of the car. The bullet came from the trees about 20 feet from the road."

Although hunting is restricted in that area, Mr. Garland said there is considerable plinking of pheasants, and that he has heard shots almost daily.

BERLIN, Oct. 29 (AP)—The Allied Kommandantur announced today the dismissal of Dr. Edmund Noortwyk, head of the Berlin finance and tax department, because inquiry disclosed he was a former officer in the Nazi party's Motor Corps. Noortwyk was appointed when the Russians ruled Berlin.

BERLIN, Oct. 29 (AP)—The House of Commons by a vote of 348 to 153 tonight passed on second reading a bill to nationalize the Bank of England.

The measure, providing for one of the chief immediate objectives sought by the new Labor Government, must also pass third reading before it goes to the House of Lords but this reading is largely a formality.

Earlier Hugh Dalton, Chancellor of the Exchequer, had urged passage of the measure to advance the Labor Government's five-year plan of full employment and production.

## Bracken Charges Air Set-Up Leading to State Monopoly

OTTAWA, Oct. 29 (CP).—John Bracken, Progressive Conservative leader, said today in the Commons that Government legislation authorizing expansion of Trans-Canada Airlines was another step toward setting up a giant state monopoly.

He spoke in resumed debate on a bill authorizing T.C.A. expansion in the international and domestic fields.

Mr. Bracken said the people of Canada were as opposed to a monopoly in air transportation as they were to a monopoly in railway lines. He said he realized that the Government had a majority in the House and would likely pass it without change. He wanted to make the stand of his party clear.

The bill would bring five unfavorable results:

1. It would discourage private enterprise in the whole field of air transportation.
2. It would prevent private enterprise from serving outlying communities efficiently.
3. It would set up a state monopoly in international and domestic air transportation.
4. It would drive the Government to subsidizing smaller air lines and would thus increase the burden on the taxpayer.
5. It would eventually result in a state monopoly with no competition to keep it efficient.

The people wanted a public and private railway system so they could use both and judge the efficiency of the two. T.C.A. should not be afraid of competition.

## Free to Summon Security Troops

WASHINGTON, Oct. 29 (AP).—The State Department laid before United States senators today a draft of legislation giving the President a free hand to order use of a limited number of American troops to help the World Security Council keep the peace.

The measure was presented by Undersecretary Dean C. Acheson at a bi-partisan meeting of members of the Senate Foreign Relations Committee. Persons familiar with it said it would:

1. Designate the American delegate, with the rank of ambassador, as the President's agent on the Security Council.
2. Permit the delegate to vote, at the direction of the President and without further check by Congress, for the use of American troops which have been allocated to the council.
3. Require the President to report to Congress the actions taken by his delegate on the council after the vote has been taken there.
4. Provide that Congress must approve either by a joint resolution or

## City Voters' List

Registration period of two months for municipal voters will close at 5 p.m. tomorrow at the City Hall, M. P. Hunter, city clerk, said yesterday. To date 526 persons have registered.

Property owners' names, and those of holders of trades licences whose names were on the list last year and whose licences are now in good standing, will have their names carried forward automatically. Other licences must register.

Householders whose names were on the list last year, and who have paid both road and poll tax this year, will have their names carried forward automatically. Mr. Hunter said. Others must register at the city clerk's office, City Hall.

## CIVILIAN CLOTHES STOLEN

OKLAHOMA CITY, Oct. 29 (AP).—Some soldiers are too anxious to return to civilian clothes, believes Scott Wasson, Pines Bluff, Ark. Someone broke into his car, taking only a suit of clothes. An army uniform was found nearby.

## Capilano Bridge, Vancouver, Sold

VANCOUVER, Oct. 29 (CP).—Capilano suspension bridge, one of Vancouver's best known tourist attractions, was sold today for \$120,000 to Henri Aubeneau, of Vancouver. The bridge, believed to be one of the most famous cable pedestrian structures in the world, was formerly owned by A. D. McEachern, of North Vancouver. It spans 210 feet above the rushing waters of Capilano Canyon in North Vancouver and is 200 feet long.

## Little Response To Book Appeal

A few textbooks have been received at Victoria College to help alleviate the serious shortage, Dr. J. M. Ewing, principal, said yesterday. They were contributed following an appeal to the public for persons who had the required books to turn them over to the students.

The response was not large, and many books contributed were not on our list of those required," Dr. Ewing said. "There is always the possibility of their being sold privately. The shortage is nationwide, and works a great hardship on the students."

Textbooks required are:  
General College Chemistry, Richardson and Scarlett; Qualitative Analysis, Noyes and Swift; A Short Course in Quantitative Analysis, Willard, Furness and Flagg; Social Approach to Economics, Logan and Inman; Introduction to Economic Geography, Kilmer, Starkey and Hill; An Introduction to Sociology, Gullin and Gullin; "Electra," Euripides; "Macbeth," Shakespeare; "The School for Scandal," Sheridan. A Short History of English Literature, Legouis; "Henry IV," Shakespeare; "Hamlet," Shakespeare; "Pride and Prejudice," Jane Austen; "The Bride of Lammermoor," Scott; Analytic Geometry, Nowlan; Plane and Spherical Trigonometry, Rider; Senior High School Algebra, Crawford; Logarithmic and Trigonometric Tables, Hendrick.  
College Algebra, Nowlan; Mathematics of Investment, Hart; New French Review Grammar and Composition, Barton and Sirich; Beginning German, Schinnerer; Psychology, Life, Ruch; Fundamentals of Psychology, Dashiell; Classical and Modern Physics, White; and Physics, a Textbook for Colleges, Stewart.

## Esquimalt Seeks Water Agreement

An agreement with the city water commissioner for laying four-inch water mains in new subdivisions, with the municipality bearing one-third of the cost, will be sought by Esquimalt, it was decided at a meeting of the council last night.

If the agreement is completed, the council will seek immediate action on laying water pipes in the subdivision bounded by Tillamook Road and Selkirk Avenue, at an approximate cost of \$3,400, the municipality paying \$1,100.

By a vote of four to two the council passed a motion introduced by Councillor J. P. A. Christensen allowing all general service personnel and all deep-sea merchant seamen who served in a war area to purchase municipal lands at 20 per cent of assessed value, the special discount being applicable to homesteads only.

Following a report from G. H. Sedger, municipal solicitor, on the municipality's agreement with War-time Housing, Ltd., the council decided to write to Ottawa with a view to securing a larger share of taxation from the properties.

Reeve Thomas Hatfield pointed out that according to the agreement, the properties were to be disposed of within six months of cessation of hostilities, and while he sympathized with the need for housing for veterans and others, he considered the municipality could not waive its right to taxation.

The council decided to invest \$6,000 in the Ninth Victory Loan, approved a grant of \$75 to Lampson Street Public School for a Halloween entertainment, and accepted a tender of \$80 for cultivating and seeding a playground adjacent to Phoenix Street.

## DEPOT TO CLOSE

TORONTO, Oct. 29 (CP).—The magazine and games depot of the Ontario division of the Navy League of Canada here will close tomorrow after five and a half years of operation in which more than 6,000,000 magazines, 125,000 books and 50,000 games were sent to sailors and merchant seamen.

## Modern Way Colds During Night

Relieves Miserable Colds During Night  
Penetrates deep into bronchial tubes with its soothing, medicinal vapors.  
Warming, soothing relief—grand relief—comes when you rub good old Vicks VapoRub on the throat, chest and back at bedtime. Its penetrating-stimulating action keeps on working for hours. Invites restful sleep. And often by morning most misery of the cold is gone. No wonder most mothers use VapoRub. Try it tonight—home-proved VICKS VAPORUB.

## Experts Study P.G.E. and Development of North

DELVING deep into reports and surveys carried out in past years, a committee of experts representing the Provincial and Dominion Governments, the Canadian Pacific and the Canadian National Railways, met here yesterday to open its study of Pacific Great Eastern extension and the development of Northern British Columbia.

J. M. Stewart, Provincial deputy minister of railways, was named chairman of the committee. Pictured, from left to right, Russell Yuill, National Harbor Board for the Federal Government; Mr. Stewart; C. R. Crysdale, associated with Mr. Stewart as a British Columbia representative; S. W. Fairweather, Montreal, C.N.R. vice-president in charge of research and development; T. C. MacNabb, C.P.R. general superintendent at Saint John, N.B.; and H. C. Taylor, C.P.R. general superintendent at Moose Jaw, Sask.

## Dominion Loan Canvass Holds To Schedule, Ottawa Reports

OTTAWA, Oct. 29 (CP).—Canada's Ninth Victory Loan entered the back stretch in its race against time today, and at the close of business tonight there were many new figures to indicate the scheduled pace was being maintained.

Victory Loan headquarters had no use national total to announce as tabulations are always a day behind sales, but the figure for the first week of \$499,185,250 was just a whisker from the \$500,000,000 weekly necessary to meet the minimum objective of \$1,500,000,000 for the three-week drive.

The canvasses of individuals would be stressed, loan headquarters said, noting that the objective for sales to private citizens was \$800,000,000, more than half the total loan objective for the first time. Individual purchases accounted for \$256,870,000 in the first week, compared with \$211,100,650 in the same period of the Eighth Loan, and approximately \$10,000,000 short of the weekly sales needed to hit the target of the general sales campaign.

Life insurance companies again were prominent among larger buyers reported tonight with North American Life Assurance Company, Toronto, purchasing \$5,000,000, and Dominion Life Assurance Company, Waterloo, Ont., \$4,000,000.

Suddenly realizing he hadn't been clipping his Victory Bond coupons since the first loan, Pie. Marc Fremden, a steward in the Officers' Mess at No. 2 District Depot, Ottawa, remedied his oversight. This enabled him to buy a brand new \$200 bond. His unit now leads in M.D. No. 3.

Two thousand copper nickels, saved since 1942 in two quart milk bottles, were brought into a Montreal Victory Loan unit today by a salesman who made the sale to Pedler S. M. Nudel. It took the entire unit staff one hour to double check the "take" for a \$100 Victory Bond.

## Deputy Minister Expected Friday

E. P. Murphy, deputy minister of public works, Ottawa, will be in Victoria on Friday to discuss improvements to the harbor, according to a letter from R. W. Mayhew, M.P., received yesterday by Mayor Percy E. George.

According to previous reports, Mr. Murphy had been expected on Thursday. He will confer with the harbor committee of the City Council, Chamber of Commerce, and representatives of the Victoria and District Trades and Labor Council.

In a second letter to Mayor George, Mr. Mayhew stated that preliminary steps for the improvement of the harbor were proceeding, "although no definite promises of what they will do have been made to me thus far."

## Asks Argentina to Plan Resistance

BUENOS AIRES, Oct. 29 (AP).—Gabriel A. Oddone, chairman of the National Committee of the Radical Party, Argentina's largest party, said tonight that the country's military government "is waiting to give the final blow to civil life in Argentina."

"The only thing left for the nation," he declared, "is to prepare for resistance."

Oddone did not amplify this remark but said the organization of the political parties in Argentina now was the primary need of the country.

## Dutch Girls Like Lads From Canada

VANCOUVER, Oct. 29 (CP).—"Thanks for liberating us from the Germans, now who's going to liberate us from the Canadians?" This is a popular, if good-natured, question going the round of Holland these days, Capt. John Baker, of Pincher Creek, Alta., said in an interview last night on his arrival here for a holiday.

Canadian movies and dances in Holland provide entertainment beyond the ability of the Dutch lads, Captain Baker said, in commenting on reports that Netherlands youths are complaining about the unfair conscription competition offered by Canadian soldiers.

## Experts Make P.G.E. Study

First meeting of the committee of experts studying Pacific Great Eastern Railway extension and development of Northern British Columbia opened in Victoria yesterday.

Primary work of committee members was to organize their investigation and determine how it would be carried out.

In preparation for the study, the Provincial Department of Railways has been gathering reports and compiling data from surveys and investigations carried out in the past, and the Dominion, Canadian National and Canadian Pacific representatives have brought to the meeting data they had on hand.

The committee met Premier John Hart this morning, preliminary to their "down-to-work" opening session.

Premier Hart described the present study as one of the most important in the history of British Columbia, and one which may have mounting importance in the years ahead.

The committee consists of J. M. Stewart, deputy minister of railways for British Columbia; C. R. Crysdale of the British Columbia

Government service: T. C. MacNabb, C.P.R. general superintendent; Russ. John. H. C. Taylor, C.P.R. general superintendent; Moose Jaw, Sask. Russell Yuill, Department of Transport, Ottawa; and H. W. Fairweather, Canadian National, Montreal.

## COLD GOT YOU IN SNIFFLY, SNEEZY MISERY?

**Do This Quick for Relief!**  
If you are sneezing and sniffling from a cold... all stuffed-up, with your nose and throat raw and sore—combat this distress, as thousands do, by gargling with new Pepsodent Antiseptic.

The reason it's recommended is this: Standard laboratory tests prove new Pepsodent Antiseptic kills millions of germs that go with colds. The very type of germs that many medical authorities say often heighten the misery and prolong the effects of a cold.

Isn't it only common sense then, to gargle with new Pepsodent Antiseptic at first sign of a cold? What better way to combat millions of germs that swarm on mouth and throat surfaces as far back as you can reach... back where illness often strikes first!

So treat a cold this sensible way: Get plenty of rest, avoid exposure, dress warmly, drink plenty of liquids, and gargle frequently with new Pepsodent Antiseptic. See if you don't relieve discomfort almost at once!

## Yamashita Hears Victims Tell Of Massacre at Manila Station

MANILA, Oct. 29 (AP)—Anghushed by an orgy of blood-lust and horror alternated with courteous legal quibbling at the opening session today of Lt.-Gen. Tomoyuki Yamashita's trial on war criminal charges.

The bullet-headed defendant, heavily bearded in his dress uniform, with polished knee-boots and freshly starched white shirt, listened grimly as witnesses told how Japanese of his Philippine command butchered women and children in a Red Cross station massacre or perpetrated other atrocities against civilians.

He listened with equal attention while defence counsel entered a series of legal objections, sought a two-week postponement of the proceedings or argued that the commission of five American generals had no legal right to try Yamashita at all.

The conqueror of Malaya and one-time commander of the Japanese-occupied Philippines gave no sign of emotion.

An the session ended an 18-year-old Filipino sat on the witness stand tensely clutching a microphone, his face frozen in an expression of terror and dismay after testifying of the savagery he had seen.

Much of the testimony offered today centred around the massacre

in a Manila Red Cross station. Patricia Abad, an attractive 26-year-old Filipino woman, told amid tears how four Japanese sailors broke into the Red Cross building where about 100 women and children had taken

wounded most of the others.

A preliminary shot fired through the door killed a small girl, the witness said, and then followed an hour-long orgy in which the Japanese ran amok among the helpless, shooting and bayoneting them without mercy. The witness herself survived nine bayonet stabs and a bullet wound, but her 10-month-old daughter was fatally injured.

Among other survivors of the massacre was John Lewis, 28, a German refugee. He testified he was stabbed four times and left for dead after he had attempted to hide in the station bathroom.

A 47-year-old Filipino who lived next door to the station told of losing ten members of his family in the slaughter.

Another witness testified of seeing Filipino civilians piling up dead bodies in a lumber yard under the guard of Japanese navy personnel, who then shot their unwilling assistants and tossed them into the river.

### Detective Succumbs

OTTAWA, Oct. 29 (CP)—Detective Thomas Storeman, of the Ottawa police force, died in hospital today following a five-day fight for life which ended when pneumonia complicated the critical lung wound he suffered when shot in a street fight last Wednesday.

Police said the attempted murder charges against Wilfred A. Amos, 25, Eugene Lambert, 24, and Albert Henderson, 24, all of Ottawa, would be automatically raised to murder when the men appear in court November 1.

### Ill-Treated by Japs

SQDN. LDR. A. M. JARDINE  
Who has returned to the home of his parents, Mr. and Mrs. A. O. Jardine, 616 Moss Street, after ten years' absence, three and a half of which were spent as a captive in Java.

"Some of the men were beaten for looking arrogant," he related in describing prison camp conditions.

At one time during imprisonment, Sqn. Ldr. Jardine said, he and 12 others made a small boat for an escape attempt, but the Japanese discovered the plot.

Along with Australians he was held in a small camp, later being moved to Bandong, where he described conditions as bad by regular standards, but not as appalling as among war parties which the camp was obliged to supply.

A Japanese officer was appointed to decide who was fit when operations were raised to sick prisoners being sent to work parties in Malaya and Borneo.

"He sat in a chair and watched the prisoners work by him. Those who were able to walk past him he judged physically fit," the squadron leader recalled.

Work parties sent north were

packed so tightly in the holds of ships that individuals could not lie down. At Bandong, however, it was possible to obtain vegetables and make marmalade and peanut butter. Meat he described as ex-

tainable was putrid. Prisoners were beaten for such petty affairs as failure to wear hats and shirts indoors as petty Japanese regulations required.

### Seeks Seaman's Uncle

Pte. George Wallace, Royal Marines, formerly of H.M.S. Exeter, is endeavoring to communicate with an uncle of Leading Seaman Munro "Roy" Brooks, who served on H.M.S. Encounter. Brooks and Wallace were in prison together at Camp 2, near Nagasaki, having been taken to Japan when their ships were sunk in 1942. Brooks' uncle lived on Oscar Street, but Wallace cannot remember the name. The marine arrived on H.M.S. Glory last week, and will soon leave for England. Wallace may be contacted at Empire 6998.

### Expresses Thanks

J. J. SCALES

Of the Canadian Legion War Services, who expressed thanks yesterday to citizens of Greater Victoria for their "wonderful co-operation in regard to home hospitality and donations of flowers and magazines for both British and Canadian repatriates."

Supervisor Scales, who was decorated with the Military Medal in the Great War when he was twice wounded while serving with the Gordon Highlanders attached to the famous 51st Division, for the past three years has been in charge of auxiliary services in the Port Alberni area.

He did outstanding work there in the Downtown Central Hotel and outposts of Bamfield Cable Station and Sprout Lake.

Supervisor Scales, his assistants and all equipment were recently transferred to Gordon Head Camp, where he is now in charge of auxiliary services to the L.P.O.W. He was first stationed at Gordon Head Camp in 1942 when he joined the Canadian Legion War Services.

### Expected Home Soon

CPL. J. R. YOUNG  
Youngest son of Mrs. M. Young, 106 South Turner Street, who has returned to Canada after four years' service overseas with the R.C.A.S.C. He is expected home on October 31. Enlisting in April, 1941, Cpl. Young proceeded overseas in December that year. His brother, Joseph, also served in the Canadian army.

### British Repatriates

Capt. F. W. Rork, Indian Army, in a letter received yesterday by Mayor Percy E. George, expressed his appreciation for the splendid hospitality shown British repatriates from Japan who arrived here aboard the troop transport U.S.S. Admiral Hughes.

As a souvenir, he enclosed a 100-yen Japanese bill, on which he had written the message "Thumbs up

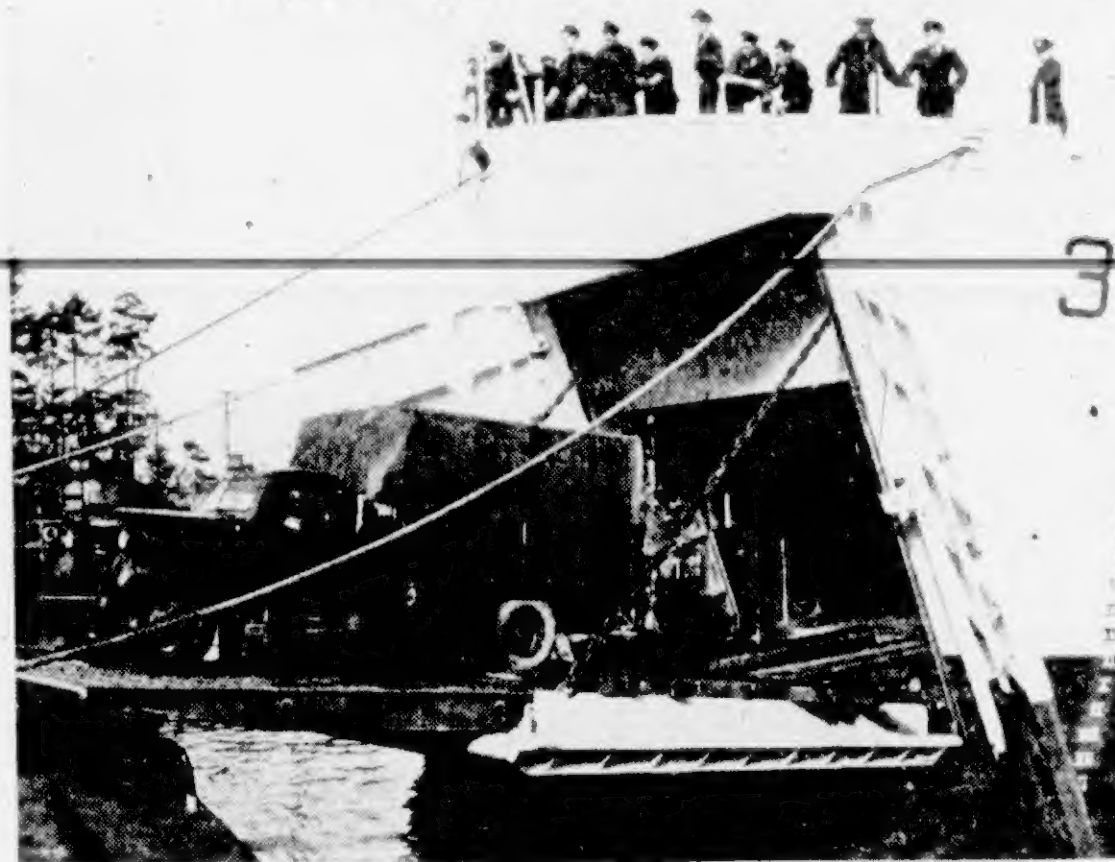

### Message of Death Thought Greeting

VANCOUVER, Oct. 29 (CP)—What a Vancouver mother thought must be birthday greetings from her son in Singapore turned out to be a notice by telegram of his death.

Roland Trussell, 24, son of Mr. and Mrs. R. Stirling, of Vancouver, was killed in an accident last Wednesday in Singapore, and the notice of his death arrived here two days later on his mother's birthday.

Trussell, steward with the Blue Star liner Samlay, had written just previously that he was en route home and expected to spend Christmas with the family here.

## Navy Headquarters Back on Island

A peacetime landing for this monster British LST which landed 70 tons of equipment belonging to the Royal Canadian Navy's Pacific Coast Naval Headquarters. The staff of Rear Admiral V. B. Brodeur, C.B.E., R.C.N., returned this week-end to Esquimalt from Jericho Beach in Vancouver after an absence of three years. More than 35 trucks were required to bring over office and other equipment. Unloaded Sunday, headquarters was operating by Monday.

and well done, Victoria, October 18, 1945." The letter was mailed from Debert, N.S., just before he and his men sailed for home.

### Money for Soldiers

Mayor Percy E. George and Alderman Dr. J. D. Hunter sent a telegram yesterday to R. W. Mayhew, M.P., regarding the possibility of easing Foreign Exchange Control Board regulations so British repatri-

ates from Japan can have more money.

According to Dr. Hunter, the repatriates in Victoria are given \$8 in Canadian funds, and some British currency. Banks cannot by law cash the British currency.

"It works a hardship on the men if they are kept here two or three weeks," Dr. Hunter said. "Both the soldiers and civilians feel that they should have more money."

### Valid Ration Coupons

Sugar—Nos. 46 to 55.  
Preserves—Nos. 32 to 37 and P14 to P19 inclusive (this includes the ten extra coupons allotted for canning sugar if required). (Yellow sheets.)  
Butter—Nos. 116 to 127 inclusive.

# MIRACLES of MAKE-DO

Ever think of the wealth of perfectly good woollen yarn going to waste in those sweaters you have put away and forgotten?

Too small? A little moth-eaten? Too old-fashioned to compete with a "Sloppy Joe"?

All excellent reasons for not wearing them yourself, perhaps. But they can still be used to good advantage. For instance, why not try making over one into a smaller size? Or into an attractive swim suit for yourself for those warm vacation days next summer?

Here are just a few of the many miracles you can work with a discarded sweater. And, these days, when wool and other yarns are so scarce, they are worth a try. Pattern for dressing gown available at stores.

FROM THE TOPS OF MEN'S SOCKS

FROM SMALL PIECES OF WOOLLENS

### TODAY'S MENDING HINT

Sweaters or cardigans which have been damaged by moths can be mended. Small holes can be darned and then hidden by simple embroidered motifs, with a few extra decorations.

of suitable intervals to avoid a patchy effect. Even the amateur needlewoman can produce attractive flowers, stars, diamond and square shapes in gaily coloured wools.

## Action

Victoria's representations at Ottawa on the plea for a safe and improved deepsea harbor would seem to have brought action. It is a first step when federal officials visit the ground to see for themselves the reasons for what is being suggested. The impending visit of Mr. E. P. Murphy, deputy minister of public works, Ottawa, this week will be welcome. Victoria has a good case. It is wholly in the national interest, and in close support of every Canadian port on the Pacific Coast. Safe anchorage and safe handling for deepsea vessels here would encourage steamship traffic, with all that that means to this land.

The main elements Victoria stands in need of can be recapitulated. A west breakwater, to give calm water inside the deepsea harbor basin; the raising of the elevation of Ogden Point piers, so that they will be safe to approach and easier to lay alongside; the outfitting of those piers with modern handling gear; provision of an "universal" ferry ship, for rail car transfers; incorporation of the Rother piers in the main harbor scheme; dredging to navigable depths within the new basin; a coastal trading wharf inside the bay, with dolphins for log-booming grounds in West Bay; general dredging in Victoria Harbor, and the cutting of the Gorge-Thetis Cove canal about complete the picture.

If the counsels of perfection could be followed, the conversion of the present east breakwater (too short and too close inshore) into a pier, and its replacement by a new east breakwater much further out on the same side—to link with the asked for west breakwater—would also repay Canada. That would enable a considerable deepsea basin to be enclosed, inside of which there would be security for any type of vessel trading in the Pacific, for many a year to come. We say that attention to these matters will repay this nation many times over. We cite in proof of that the customs and other returns Victoria knew when 17 steamship lines were regular callers here. That meant trade for Canada.

## Rounding the Buoy

Victoria and Vancouver Island, with their Gulf Islands neighbors, are rounding the buoy in the Ninth Victory Loan, halfway in a race that is being run briskly across Canada. The West Coast is nearing the finishing line, many island areas beyond the halfway mark, and Victoria, with the heaviest commitment of all, at the turning buoy. So far it has been clear sailing, and fast. The sum of \$6,171,200 had been subscribed up to noon yesterday in these areas.

The standing at that hour was as follows: Victoria, \$3,902,500; Alberni-West Coast, \$580,700; Nanaimo, \$446,000; Cowichan-Duncan, \$390,300; Saanich, Esquimalt and Gulf Islands, \$382,500; Courtenay-Coxmo, \$315,050; and Ladysmith, \$154,700—total, \$6,171,200.

When it is remembered that these areas comprise approximately 150,000 people, their homes and businesses, that is a remarkable result for the opening days of the campaign. It augurs well for the successful completion of the task, with an unanimity of public co-operation that is quite as valuable as the subscriptions themselves. Each individual who can should invest.

## There Can Be Peace

It has been said that the introduction of the atomic bomb has changed the whole aspect of international relations, and there are those who even claim that San Francisco is outmoded and that a different form of organization is necessary for world peace. They would kill the United Nations Organization before it holds its first official session. The truth is that the use of atomic power has made the United Nations Charter more indispensable to mankind than ever.

It is unwise to assume, as some are ready to do, that because of its terrifying properties the atomic bomb has made future wars impossible. Unfortunately, history has afforded no precedent to justify such an assumption. If it had, wars would have ceased long ago. Indeed, records of the past show all too clearly that each offensive weapon has eventually and effectually been countered by some defensive instrument or measure. Man's destructive ingenuity seems limitless, and throughout the centuries weapon has succeeded weapon, each becoming more deadly as more scientific knowledge became available.

Already there is talk that scientists are on the trail of an effective defence against the atomic bomb. It will not be surprising if this is so. Horrible as it is to contemplate, it might be that we are entering an age where new atomic discoveries will make weapons of the present as the bow and arrow is to the 16-inch gun.

Yet despite such a grim and forbidding prospect there need be no fear of the future if the means to prevent war, which lie close to hand, are grasped firmly with faith and resolution. The solution does not lie in outlawing the atomic bomb as a weapon of destruction. That is tantamount to conceding that other weapons, considered less deadly, are

permissible to warring powers. Murderous missiles should not be differentiated. All weapons of destruction are a crime against humanity, and to the person affected a single bullet can be just as fatal as an atomic bomb. It is war itself that must be outlawed.

The instrument to accomplish this has been forged and needs only to be put into operation. In December, the United Nations Organization will meet for the first time in London.

on this and subsequent meetings depends the future peace of the world. If the signatories to the San Francisco charter, especially the major powers, meet in absolute sincerity and faith, determined that at all costs future wars must be outlawed and made impossible, then no conflict of interests need remain unresolved.

Simple though it may sound, it is primarily a question of trust and goodwill. If there are no hidden reservations when agreements are made, if there is complete honesty in discussing and reconciling international differences, if there is give and take in a spirit of chosen amity, if, in sum, there is an earnest and genuine desire for peace, then peace it will be.

## Marching Songs

Different eras "accentuate the positive" in different ways and one would not wish it otherwise, yet it is somewhat singular that the war just ended did not produce songs comparable in their universal fame with those familiar to all the English-speaking world in the years 1914-18. The catchy "Roll Out the Barrel," sung often and with enthusiasm in Victoria in the early years of this war, has enjoyed a good innings and is still a number one favorite with the troops. "The Washing on the Siegfried Line," its intent never quite realized since the Allies raced through that fortified zone too fast for laundering, also had its moments of popularity. Australia's "Waltzing Matilda," although scarcely leaving much mark on this continent, had its day too, and sent its echoes far afield from the Western Desert.

None of these times, however, caught on to the same degree as "Tipperary," "Pack Up Your Troubles," "Over There," "Keep the Home Fires Burning," and other favorites of the Great War, which became as well known to the folks at home as they did to the troops who sang them on the march. Perhaps the age of synecopation and boogie-woogie is allergic to simple marching rhythm; or it may be that mechanical transport limited the need for troops to find in song a leavening for tired feet, and so restricted the number and variety of musical antidotes.

Whatever the cause, many of the songs of yesterday have remained popular with the sons of the men who first made them world famous. One of them, "Tipperary," perhaps the most famous tune in the world, became in fact a sort of symbol of liberation to the countries of Europe during the closing months of the war against Nazi Germany. It is reported that wherever Allied troops went, particularly those of the British Commonwealth, they were hailed with the refrain of "Tipperary"—recalled by the inhabitants of France, Belgium or Yugoslavia from their memories of more than a score of years ago. This rousing marching song with the nondescript words, written within 24 hours in order to win a bet, thus became the hall-mark of the buoyant, courageous khaki figures in whose wake freedom flourished.

## Seen in Passing

After some thirty years and about \$83,000,000, a commission is sitting now to suggest what can be done with the Pacific Great Eastern Railway, which begins nowhere and ends at much the same destination. In that period its chief return has been a deficit. The settlement it was to have brought the province did not mature. If the public has enjoyed the ride, it has certainly paid for it, as successive balance sheets of the Province indicate. Nor do we find in that much inducement for an expansion of government in other lines of endeavor.

The C.C.F. lost not only a third of its legislative representation in the House in the general election, but also its main speaking pencil, its debaters-in-chief. What young Mr. Winch has taken back into the Twenty-First Legislature is only the remnant of a Parliamentary group, with most of its real leaders gone. Mrs. Steeves, Grant MacNeil and Colin Cameron were among its stalwarts on the floor of the House, and Mrs. MacInnis and Mrs. Jamieson scarcely less so. As it is, there will be Mr. Winch and Mr. Winch, with a few select friends.

## From "The Choristers"

So music dwells in the glorious throats  
Forever, and the enchanted notes  
Fall with rapture upon our ears,  
Moving our hearts to joy and tears.  
For things we cannot say  
In the wilds the whistling sings in the rain  
His pure, serene, half-wistful strain:  
And where twilight falls the sleeping hills  
Ring with the cry of the whip-poor-will  
In the blue dusk far away.

In the great white heart of the Winter storm  
The chickadee sings, for his heart is warm,  
And his note is brave to rally the soul.  
From doubt and panic to self-control  
And elation that knows no fear.  
The bluebird comes with the winds of March,  
Like a shred of sky on the naked larch:  
The redwing follows the April rain  
To whistle contentment back again  
With his sturdy call of cheer.

—BLISS CARMAN.

Be wiser than other people if you can, but  
do not tell them so.—CHESTERFIELD.

In nature there is nothing melancholy.

—COLERIDGE.

## Across Canada

Quoting

### USE OF THE LASH

(Vancouver Province)

The question of using the lash, like the question of capital punishment, is one on which experts in penology are by no means agreed. Three purposes are recognized in passing sentence on an offender, to

protect the public, to reform the offender and to punish the offence, and thereby deter others from crime. Whether the lash is the answer or not, there is no question that some steps must be taken to protect society in British Columbia against the young gunmen that are now operating in the more populous centres. It is not only property that is in need of protection. There are crimes against the person as well.

### PROPER NUTRITION

(Calgary Herald)

With the freedom and even licence being granted today to juveniles as to what they eat and drink, and when and where they gratify their natural appetites, the task of bringing them into line with a scientifically ordered routine of feeding and drinking is likely to produce many a headache among the professionals. Selling the idea of proper nutrition to the nation to the point where it will become a regularly adopted practice will likely be a job extending over more than a single generation. Speedier results may be expected if the training is begun and continued through the schools up to and including high schools.

### HOUSING PROBLEM

(Winnipeg Tribune)

At present, under its Wartime Housing scheme, Ottawa has taken a few hesitant steps toward subsidized housing, but has involved the municipalities in realty tax exemptions, free building lots and other concessions. Housing is a matter of national interest and properly the concern of the Dominion Government. A little more decision, fewer agencies and more freedom of action, would all help toward getting those homes built—homes for which fighting men are waiting.

### TAX INJUSTICES

(Winnipeg Free Press)

Whatever the merits of the tax collected, whatever the needs of the Dominion and the provinces, whatever the ultimate relationship between them, the unjust features of the existing law will remain unless they are removed. These are abuses quite apart from any merely financial consideration. They are issues of simple justice.

They have been pointed out many times in these columns—the double taxation of profits, the absence of any convenient appeal tribunal for the taxpayer, the almost unlimited and arbitrary power of officials, the Government's right to open up old tax accounts long closed for no adequate reason, the long delays in collections and settlements. . . . Apparently nothing is to be done about them until a settlement is reached with the provinces.

### BAN ON TIPPING

(Windsor Star)

There will be no tipping in the House of Commons restaurant at Westminster. At least, that is what the Attlee Government says. Perhaps we may be forgiven for being skeptical. The no-tipping rule has always been in effect in the Parliamentary Restaurant at Ottawa. It is printed plainly on the menus. That jingling in the apron pockets of waitresses there isn't caused by bunches of keys.

### FACING REALITIES

(Ottawa Journal)

We see now that the awful cost of six years of global war has got to be paid for, and that the payment can be made by a milligatway of sloppiness, talk, and much less by the process of "owing money to ourselves." What we face, in short, is a world in which human nature is pretty much as it was before, learning always and progressing always, but with the progress slow and painful, and with life still a hard campaign with some lost battles.

There is no need to despair. There is, though, need for common sense, for more awareness of realities, and need above all to rid ourselves of the notion that things we did in war are possible in peace—that, for example, we can go on in peace turning out goods for the world's markets at war costs, with competition or incidental growing debt, not mattering.

### WANT THEIR WIVES

(Toronto Star)

TORONTO, Oct. 29 (CP)—It's just one man's beef, James Cook admits, but the Toronto veteran of four years overseas says he's "pretty angry" at reports that 300 British businessmen came to Canada on the Queen Elizabeth. "If they were facilities for whisky and tobacco salesmen, why not for my wife and hundreds of wives of other servicemen?" he said.

### CHAMBER OF COMMERCE

Victoria Chamber of Commerce directors will meet on Thursday at 3:30 p.m. in the board room.

## TWENTY-FIVE YEARS AGO

(From The Daily Colonist of October 30, 1920)

Sidney Mail Service—Post Office Inspector Everard H. Fletcher is calling for tenders for carrying the mail between Victoria and Sidney in order to provide a twice-daily service on this route. The Board of Trade was advised in this effect yesterday. For several weeks this project has been urged by the Board of Trade of Victoria.

## FIFTY YEARS AGO

(From The Daily Colonist of October 30, 1895)

The City—An enjoyable time was spent by those who attended the social and dance given by the Daughters of England in their hall last evening. The program furnished for the event was as follows: Miss Haughton, piano solo; Mr. Nokes, song; Mrs. Smith, song; Miss Purnell, recitation; Mr. Kades and Mr. Nokes, duet.

## SEVENTY-FIVE YEARS AGO

(From The Daily British Colonist of October 26, 1870)

Election.—At a meeting of the Union Hook and Ladder Company last evening, C. E. Shuttling was elected foreman; John V. Vaughan, first assistant; W. H. Huxtable, second assistant, and Oliver Jackson, secretary.

## Nazis Used Parachutes Made of Iron

By THOMAS HENRY  
Science Editor, North American  
Newspaper Alliance

WASHINGTON, Oct. 29.—Iron parachutes which worked were among the war inventions of German scientists.

At least the inventors told American textile experts from the quartermaster-general's office that these parachutes made from one of the heaviest metals were experimentally successful, due to a new principle on which they were constructed.

The American scientists see no reason to doubt the story since some of the other parachute developments they saw demonstrated were almost equally remarkable. Some carried weights of 40 tons, others could be used as brakes for dive bombers.

The parachute experiments were carried on in a large secret laboratory hidden in a thick woods. It was discovered entirely by accident by the team of American investigators who studied the war progress of the German textile industry last summer.

The iron parachutes were not intended, of course, for actual use by paratroopers. They were made only to show how far it was possible to go by using the new principles on which they were constructed.

The report of the experts has just been released by the Department of Commerce, to which it was turned over after secret information had been eliminated for the guidance of American textile manufacturers.

"They (the Germans) have recently succeeded," says the report, "in easing the shock a paratrooper gets when the parachute first opens. They have a new design of 'chute which not only reduces the opening

shock to six-tenths that of the regular parachute but also has no pendulum motion and comes down straight. We have seen photographs showing descent of two paratroopers, one equipped with a regular 'chute and the other with one of the new design which has built-in guiding panels and will not turn or twist.

"The difference is very great. We also made a test in a wind tunnel of these same two parachutes, which showed the same results. The conventional design flutters and twists. The new design immediately straightens out and stays straight, no matter what wind velocity is used.

"Other very interesting developments are parachutes made of ribbons with about a quarter-inch space between. The ribbons are sewn on horizontally. They have 'chutes which are square and triangular shaped, designed for precision bombing. They claim they can gauge the speed of falling bombs by the spacing of the ribbons and size of the chute. They have eliminated the fin-tail of their heavy bombs and instead have used a little ribbon 'chute about a yard in diameter. This not only made the bombs lighter but gave more space for additional bomb loads.

"We have also seen cargo 'chutes made from ribbons which were able to carry forty tons. It is also claimed that new 'chutes can be built for paratroopers which will come down straight at great speed because the parachute is only half open, ground line is to this chute which, through a built-in device, cuts certain shroud lines as soon as the ground line touches the ground and allows the parachute to open up fully. The

last 70 yards of the descent is gentle. This same device also is used for cargo 'chutes which have to deliver their loads in confined and relatively small areas. Both of these 'chutes are claimed to be highly successful.

"Other interesting 'chutes made from ribbons are used as brakes for dive bombers. It is claimed that 'chutes can be made which can be let out from the tail of a dive bomber to break the speed and when it has leveled out the 'chute can be taken in during the flight and used all over again. They claim there are 'chutes in existence, and still functioning, which have made 800 dives. These 'chutes are round and have a diameter of about four and a half yards.

"Similar brake 'chutes are used for gliders which enable them to land in less than half the time normally used, and for very fast-moving planes for landing purposes. They are supposed to be particularly good for night landings. In order to make shock tests, a compressed air gun was constructed with electrical registration, which measures the opening shock of a 'chute. Other interesting developments are 'chutes for aerial torpedoes which guide them in such a way that they hit the water at the correct angle, and which eliminate the many misses caused by the torpedo hitting the water at too flat an angle which makes it bounce, or at too steep an angle which buries the head of the torpedo in the mud under water.

"In order to find what effect air porosity has on a parachute they have gone so far as to build sample 'chutes of iron and have found that even an iron chute will work if properly constructed."

## Observation

By G.B.

What I should like to see . . . Removal of sausage, meat pies and cold meats from the list of rationed commodities . . . An increase in butter and sugar rations . . . Fifty pounds of sugar per family

for preserving and canning in the Summer and Autumn . . . High octane gasoline for automobiles . . . Better quality lubricating oil . . . Automobile tires for every motorist who needs them . . . An adequate supply of inner tubes . . . A cut of 50 per cent in the price of second-hand automobiles . . . New automobiles by Christmas . . . Some of the toasters, electric irons, aluminum pots and pans and washing machines which are being produced in quantity in Eastern Canada . . . Another 16 per cent cut in income tax deductions . . . No tax on incomes up to and including \$2,000 per year . . . Lower city property taxes . . . Shirts for men with large necks . . . Plenty of Botany wool men's socks . . . Cheaper shoes . . . A year without incessant tag days . . . Improvements to the Outer Harbor to facilitate deep-sea shipping . . . Better quality lead pencils . . . A back to prairie movement . . . \$20 suits and overcoats for men . . . More attention to the study of spelling in public and high schools . . . Elimination of radio licences . . . A maximum licence fee of \$10 for automobiles . . . An old age pension of \$50 per month, coupled with free medical, surgical, dental and optical care. Elimination of liquor rationing . . . Plenty of lumber, brick, pipe, plumbing and electrical fixtures for home building . . . It costs nothing to dream.

## Letters to Editor

No letter to the editor will be considered unless it is properly signed and addressed to the writer. This rule admits of no exception. No letter should exceed 300 words in length. Unpublished correspondence cannot be returned.

### VETERANS' GUARD

Sir,—After having read your very appropriate comments in "Guard Stands Down" I think, if you do not already know, that you will be interested to hear that these same old guards who have served with the 114th since the beginning of the war are now ordered to turn in every scrap of equipment issued to them.

How much do the authorities expect to have returned of socks, boots, shirts and uniforms, etc., after 5 years' usage? What is going to be done with it all? We understand that the perfectly good clothing worn by the repatriated prisoners of war on arrival here is discarded or burnt and they are then issued a completely new set by the Canadian authorities. Would it not be a good idea to make the turning in of old equipment worn by the 114th an optional one? What has been done about the equipment of the A.R.P. and the Rangers? Has that all been turned in? We wonder if Gen. Peckers is familiar with and approves of this latest and last command to the old soldier whose cause he has always so ably and justly championed?

There is a song in which the words run—"O give me something to remember you by when you are far away." In the case of the old soldier, could that be his moth-eaten equipment?

(Mrs.) DAISY WHITE,  
R.R. 3, Victoria, B.C., October 28, 1945.

### OGILVIE APPOINTMENT

MONTREAL, Oct. 29 (CP)—Official announcement was made today at the head office of the Ogilvie Flour Mills Co. Ltd. here of the appointment of E. B. Frost, of Winnipeg, as Western manager of the company, to succeed the late Herbert Sellers. C. B. Miller succeeds Mr. Frost as divisional manager at Winnipeg.

## Defence Minister Says Repat Policy Working; No Changes

OTTAWA, Oct. 29 (CP)—Defence Minister Abbott said today in the Commons that the army repatriation policy was working well and he would be most reluctant to suggest a change that would bring about chaotic conditions that existed following the First Great War.

Replying to Opposition criticism of the repatriation plan during study of army estimates, Mr. Abbott said the plan had been drawn up by Canadian Army commanders overseas and accepted by the Government.

"You must accept the advice of your officers or replace them," said Mr. Abbott.

He had the utmost confidence in the army commanders and until he was convinced that the repatriation plan was unsound he would continue to support it.

Mr. Abbott said he was not particularly concerned with the relatively small number of low point men who have been returned home. He was concerned particularly about the cases of high score men kept overseas on the ground they were essential.

He would attempt to investigate cases of men who believed they were not essential and that they were being kept overseas despite their high score.

He knew what it was to sit around waiting for orders. He had done just that from the Fall of 1918 to Midsummer 1919 in the First Great War.

Among those suggesting changes in the policy were Maj. E. D. Fulton (P.C., Kamloops), Lt.-Col. Cecil Merritt (V.C., P.C., Vancouver), Lt.-Col. M. J. Caldwell (C.C.F. leader), Lt.-Col. J. A. Ross (P.C., Souris), G. K. Fraser (P.C., Peterborough West) and Col. D. S. Harkness (P.C., Calgary East).

Col. Harkness said that as a veteran of 16 months actual fighting he was sure the men overseas could never be convinced that the repatriation plan was fair. Men with lengthy service were being kept overseas while low point score men were being returned home.

Men with long service were being kept overseas on the grounds their trade made them essential. He was convinced many such men were not in key jobs.

Col. Merritt said that the Opposition also had confidence in Canadian Army officers. However, he believed the officers would be quite ready to make changes in their repatriation plans. The officers realized that their plan was untried when prepared and that imperfections were showing it.

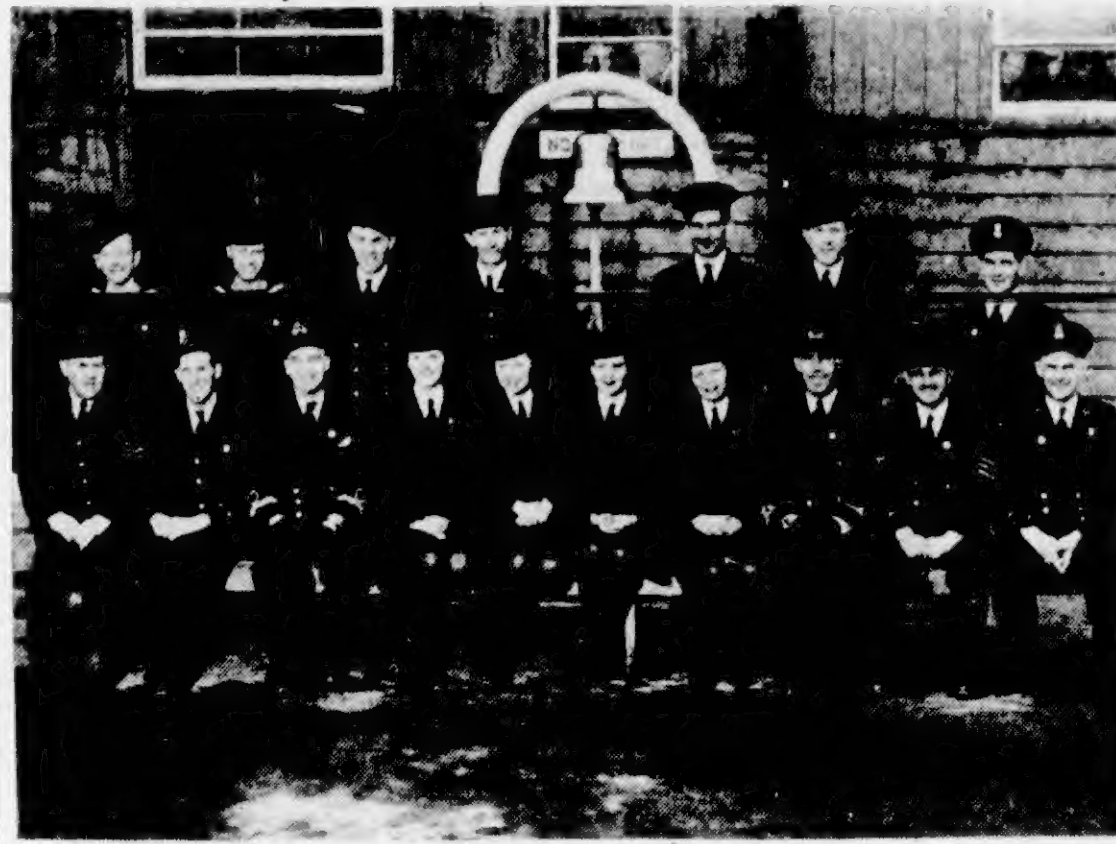

Many low point score men had gone through some of the heaviest fighting in Europe and now were posted in the occupational force. High point score men with no actual combat service were being returned home. The soldiers overseas would not complain if the men who had done the fighting were sent home first.

Maj. Fulton suggested that the scores of men be revised upwards on the basis of an extra point for every month in actual combat.

Maj.-Gen. G. R. Pearkes, V.C. (P.C., Nanaimo) said he had suggested a revision of the point system two weeks ago.

Mr. Abbott said the idea of basing some points on combat service had been considered more than a year ago when the repatriation plan was being drawn up. The difficulty was in coming to some understanding on what actual combat meant.

## Givenchy Loan Salesmen Aim at 400 Per Cent

PICTURED above are the salesmen for the Ninth Victory Loan at H.M.C.S. Givenchy, who have reached 333 per cent of their quota of \$45,000, with \$149,650 subscribed. This week they hope to ring the ship's bell pictured in the background for 400 per cent. From left to right they are: Front row, P.O. G. Finlay, Chief E. Fullerton, Instr. Lt. J. H. Pepper, aranger, Wren Irene Askew, Wren Joan Parker, Wren Mary Robertson, Wren Jean MacKenzie, Col. Mech. W. Jones, P.O. D. Sander, C.P.O. Wm. G. Fielding; back row, A.B. J. Dillon, A.B. W. R. Doty, Chief A. Noble, Chief F. Britton, Wm. C. Kuhnke, L.-S.B.A. Sutherland, P.O. F. Brown. Canvassers not shown include Wren Nancy Walker, P.O. J. McAlister, A.B. M. Schop, Wren Jane Weld, E.R.A. Peter Martin, P.O. D. Buie.

## Canadian National Railways Received Most From Transport of Troops

OTTAWA, Oct. 29 (CP)—A table showing the amount of money paid by the Government to the two railways for armed forces transportation costs and mail carriage was given in the Commons today for Alister Stewart (C.C.F., Winnipeg North).

The table showed that more money had been paid to the Canadian National Railways than to the Canadian Pacific for armed forces transportation, but more money was paid to the C.P.R. for mail.

Here is the table:

	ARMED FORCES	C.N.R.	C.P.R.
Army, 1944-1945 fiscal year	\$11,217,359	\$8,349,148	\$11,217,359
Army, April, May, June, July, August, 1945	3,112,718	2,132,103	3,112,718
R.C.A.F. January 1 to December 31, 1944	8,290,006	7,998,232	8,290,006
R.C.A.F. January 1 to August 31, 1945	4,458,978	3,845,235	4,458,978
Navy, January 1 to December 31, 1944	3,345,208	2,606,183	3,345,208
Navy, January 1 to August 31, 1945	3,211,619	1,965,165	3,211,619
MAIL			
1944	2,651,612	4,042,648	2,651,612
1945 (eight months)	1,388,514	2,585,575	1,388,514

## Extra Dozen Ale Available To Purchasers in November

An extra dozen bottles of ale will be available on British Columbia liquor ration coupons next month, as long as demand does not exceed immediate stocks, W. F. Kennedy, chairman of the Liquor Control Board, announced yesterday. This includes British Columbia and Eastern ale.

Beer parlors will also receive extra supplies on the basis of one dozen bottles of beer for each four gallons of their quota. "Veterans" clubs, which received an increase last month, will remain on the same basis.

Additional beer is available, Mr. Kennedy said, because the Summer-time demand through liquor stores slackened while brewers maintained production, making it possible to build up a surplus.

With the added dozen bottles of ale in November, purchasers will have a wider choice. They will be able to buy 25 ounces of spirits, or four dozen bottles of beer or ale, or wine, plus a 25-ounce bottle of gin, plus a dozen ale. Ale drinkers, if stocks hold up, take their whole quota of five dozen bottles in ale. Split purchases, using a punch system, will be permitted.

Mr. Kennedy emphasized that the extra dozen ale will be sold only as long as stocks permit. If an extra heavy demand exhausts the present supply, it simply will not be on the shelves for sale.

He was able to make no forecast as to beer supplies next year, stating this would depend entirely on allotments of malt made to brewers by the Federal Government. Malt is still under Federal control.

Not could he give an indication of the possible December ration, when queried regarding Christmas supplies.

A new permit system for next year, also announced yesterday, will do away with the present booklet. The new system will use a four-page pamphlet consisting of the liquor permit, a permit application and duplicate, and a ration sheet.

Completely new, the ration sheet is designed something like a calendar, with five spaces in each month marked by letters or numerals, in which the customer's purchases will be marked. It is highly flexible, and can be varied as supplies change.

If additional supplies of imported Scotch whisky should be available next year, even if only on the basis of one bottle to a customer every

## Dies at Vancouver

VANCOUVER, Oct. 29 (CP)—Funeral services will be held tomorrow for Victor A. Rollins, 68, who died at his home here last Friday.

Mr. Rollins took an active part in business, politics and sports in British Columbia for more than 40 years. His varied career began as a hotelman at Cranbrook. He moved to Vancouver in 1911, and later purchased the old Granville Palace Hotel.

He became purchasing agent and deputy minister of industry under the late Premier S. F. Tolmie in 1928, leaving that post in 1933 to become associated with Pacific Breweries Agents Ltd., Vancouver.

235,000 Workers Idle in States

NEW YORK, Oct. 29 (CP)—New strikes broke out in the United States today as old ones were settled, leaving the number of workers idle because of work stoppages at about 235,000.

On the West Coast, A.F.L. and C.I.O. unions of 15,000 machinists struck in the San Francisco Bay area, halting work at 179 shipyards, machine shops, foundries and manufacturing companies.

But in the East, strikes involving some 33,000 workers ended in Pittsburgh, Akron, O., and Camden, N.J. In Washington, the main news centered around the United Steel Workers of America (C.I.O.), which today asked the National Labor Relations Board to take a strike vote November 23 among 600,000 metal workers in 766 plants.

But in the East, strikes involving some 33,000 workers ended in Pittsburgh, Akron, O., and Camden, N.J. In Washington, the main news centered around the United Steel Workers of America (C.I.O.), which today asked the National Labor Relations Board to take a strike vote November 23 among 600,000 metal workers in 766 plants.

## Societies

St. Luke's W.A. will meet in the vestry, Thursday at 2:30 p.m.

A business meeting of the Ladies' Auxiliary of St. Joseph's Hospital will be held at the hospital, Friday.

The Ministering Circle of the King's Daughters will meet in the rooms, Friday at 2:30 p.m.

L'Alliance Française will meet Wednesday at 3 p.m. at 1323 Harrison Street, when members and

Capital City Temple, No. 35, Pythian Sisters, will hold a bazaar on Saturday, in the Hard-of-Hearing Hall. Mrs. Mary Cosman, only past grand chief in Victoria, will open the affair.

Daughters of St. George, Princess Patricia Lodge, No. 238, will hold its annual bazaar in the S.O.E. Hall, Friday. Mrs. Nancy Hodges, M.L.A., will open the bazaar at 2:30 p.m. Cards and dancing will follow in the evening.

Came Rebekah Lodge, No. 45, will meet in the I.O.O.F. Hall, Douglas Street, Thursday at 7:30 p.m. Sister Hollingshead, president of Rebekah Assembly, will make an official visit. Prior to the meeting a banquet will be held in her honor at Terry's Rose Room at 6 p.m.

Plans for the annual tea and sale of novelties to be held at the Y.W.C.A., Saturday, November 10, were completed at a recent meeting of the Pas a Pas Club, held at the home of Mrs. A. Patterson, Wellington Avenue. Mrs. K. Mills presided. Work meetings will be held each week until the bazaar, and members

will have all contributions ready for the next meeting to be held November 9.

## P-T. Associations

A sewing meeting for the Sir James Douglas P-T.A. bazaar will be held at the home of Mrs. Sturrock, 163 Bushby Street, Wednesday, at 2:30 p.m.

Gordon Head P-T.A. donated the sum of \$5 to the Princess Alice

Fund at a recent meeting. The annual tea and fancywork stall will be held at the home of Mrs. Watson, Ashie Road, on November 21.

Cedar Hill P-T.A. heard an address by Mrs. W. W. McGill on "The Beginnings of Good Citizenship" at a recent meeting. Mrs. T. M. McGee spoke briefly, outlining the country fair, which has been planned for November 14. Mrs. W. S. Morry gave the financial report. The Misses McGill provided the musical program for the evening.

Miss S. Horn, school nurse, gave a talk on "Co-operation in the Medical Service."

Mount Newton P-T.A. held a well-attended card party in the high school recently. A parent's "get-together" has been arranged for November 6 at 8 p.m.

The gasoline used by one Superfort to travel from the Marianas to Tokyo and back would have kept the average motorist in fuel for ten years.

## Junior Club Enjoys Dance

At the first dance of the Junior Recreation Club, held in the hall on Saturday, under the supervision of Mr. A. J. Bowley, a large group of teen-agers danced to the music of Bob Young's orchestra.

Margaret Freeman and Barbara Peterson decorated the hall, Mar-

garet Freeman and Ken Wilson were in charge of the door and canteen. Audrey Harmer and Peter Evans arranged the dance. Prize-winning couples were Douglas West and Allan Thornberry, Diana Jackson and John Jeffreys, Mona Hopkins and Harry Dickinson, and Mona Hopkins and Bruce Auchinvalle.

The next dance will be held November 24 in the Community Centre Hall, and every fourth Saturday thereafter. All Oak Bay teen-agers are welcome.

## Labor-Veteran Groups Request Job Figures

A resolution stating that no good purpose was being served in keeping unemployment figures for Victoria from the public and requesting that such figures be published was passed at a meeting of the Victoria Labor-Veteran Joint Consultative Council in Pro Patria Branch, Canadian Legion, on Sunday. It was reported that returning veterans were finding difficulty in securing

Other resolutions passed by the meeting called for the closing of all federal offices on November 12 in observance of Remembrance Day, use of army huts and buildings here for temporary accommodation; immediate action on improvement of port and harbor facilities, and a request for a free port zone.

## Junior Chamber Officers Are Installed

C. J. HARRINGTON

MAYOR Percy E. George installed Mr. Harrington as president, and Mr. Verley as vice-president of the Victoria Junior Chamber of Commerce at a meeting last night in the board room.

Activities of the Junior Chamber of Commerce were outlined by Mr. Harrington. He urged a greater membership be attained, and asked all members to work toward the betterment of the community. He succeeds W. A. Mooney, who also spoke briefly.

Archie Cater, national director of the Junior Chamber of Commerce

GORDON VERLEY

of Canada, reported there were now 77 such organizations with a total membership of more than 13,000. To the local organization he suggested: Interesting programs, a membership increase, work for all members, promotion of the organization, and advertising.

Guests included Maj. H. C. Holmes and Walter Miles, president and vice-president, respectively, of the Victoria Chamber of Commerce. Maj. Holmes felt the progress of Canada was hindered due to "over-centralization."

Moving pictures were shown at the conclusion of the meeting.

## No Lasting Peace If Atom Influence

LONDON, Oct. 29 (CP).—The Moscow radio said tonight that if the atomic bomb should influence the foreign policy of the United States "there can be no lasting peace."

In the first authoritative Soviet comment on President Truman's Navy Day speech, Radio Commentator Anatoli Osipov asserted that Soviet foreign policy for 25 years "has been a fight against Fascism and aggression." Cautioning that ag-

gressive nations must be prevented from menacing world peace, Osipov said:

"We hear cynical statements that the atomic bomb should influence the foreign policy of the United States. . . Obviously you can't have lasting peace with a policy like that."

In another Moscow broadcast, Jerzy Borejsza was quoted as saying the atomic bomb, like poison gas,

would be outlawed and cease to be a factor in war.

"Those who made America and the British Empire believe in the wonder weapon are advisors who give bad services," Borejsza added.

## Expect Devaluation Of French Franc

PARIS, Oct. 29 (AP).—Devaluation of the French franc is expected "very shortly," well-informed French and American sources said today, despite Government denial of a Paris newspaper story that devaluation would take place.

The newspaper, L'Aurore, speculated that the new rate would be 135 francs to the dollar, compared with the present 50, and 500 to the pound, compared with 200.

An American source said France was expected to announce adherence to the Bretton Woods Monetary Agreement before 1946, and that devaluation was expected to precede this.

## Canada Responds to Call for Penicillin

OTTAWA, Oct. 29 (CP).—An urgent call from Poland for the penicillin has been answered by Canada, Air Minister Gibson announced tonight and already the R.C.A.F. is engaged in flying quantities of the life-saving drug to Scotland and thence to Warsaw.

The minister said in a statement that a fortress from Squadron 168 has already delivered the first part of a five-ton shipment to Prestwick, Scotland, from where an R.C.A.F. transport plane took off during the week-end to fly it to Warsaw via Berlin.

Meanwhile the fortress has returned to Canada and is at present at Ottawa's Rockcliffe air station preparing for a second trans-Atlantic hop with another shipment of the drug.

The statement said that the necessities of international agreement, concerning flights to Warsaw, which is

in the Russian zone of influence, caused a delay of some days in getting the penicillin to the Polish capital. However, Russian permission now has been given the R.C.A.F. for flights to Warsaw.

## Protest About Indies

A protest will be sent to the Dominion Government and the International Labor Office regarding the use of troops in the East Indies to put down the revolt, it was decided at a meeting of the Vancouver Island Joint Labor Conference in the Labor Hall on Sunday night.

Hon. Ian MacKenzie, Minister of Veterans' Affairs, will be asked to replace O. Camprey, chairman of the regional employment and re-establishment committee, the meeting decided.

Ray Simmons, reporting for the International Woodworkers of America, said that the union had negotiated agreements with the Manning Lumber Mills, Ltd., and

the Moore-Whittington Lumber Co., Ltd. R. F. Williams reported that the Federation of Telephone Workers had signed an agreement for the garage employees of the British Columbia Telephone Company.

George Wilkinson, agent for the Automobile Workers' Union, urged all union members to adhere to uniform work day and week.

## WAR ASSETS CHIEF

VANCOUVER, Oct. 29 (CP).—A. E. McMaster of Vancouver, former head of Powell River Paper Company, has been named general manager of War Assets Corporation, friends here were notified today.

Mr. McMaster has been named as the corporation's vice-president in charge of organization.

## EXHIBITION BASKETBALL

NEW YORK, Oct. 29 (CP).—The Canadian dollar was unchanged at a discount of 9 3/16 per cent in terms of United States funds in closing foreign exchange dealings today. (Ottawa Foreign Exchange Board rates 9:09-9:51 per cent discount.) The pound sterling was unchanged at \$4.03 1/2.

TORONTO, Oct. 29 (CP).—The 1946 Canadian Figure Skating Association championships will be held January 25-26 at the Porcupine Skating Club at Schumacher, Ont., it was announced today following a week-end meeting.

## According to Culbertson

There were two errors in the bidding of today's deal—an error in policy by South and an error of judgment by North.

East, dealer. Both sides vulnerable. North-South 60 on score.

NORTH		EAST	
♠ 8 5	♥ 10 6	♠ 7 2	♥ 8 7 6 2
♦ A 3	♣ 6 2	♦ A Q 10 9 3	♣ 8 2
♦ K J 8 5	♦ Q 8 7 4	♦ A K 10 9	♦ Q 8 7 4
WEST		SOUTH	
♠ 7 2	♥ A K Q 5 4 3	♠ A K Q 5 4 3	♥ K J 10 9
♦ Q 4	♣ 7 4	♦ Q 4	♣ 7 4
♦ A Q 10 9 3	♣ 8 2	♦ A K 10 9	♣ 8 2
♦ A K 10 9	♦ Q 8 7 4	♦ A K 10 9	♦ Q 8 7 4

The bidding:  
East: South: West: North:  
Pass: 1 ♠: Double: Pass:  
1 NT: 2 ♠: 3 ♠: Double:  
Pass: 3 ♥: Pass: Pass:  
Pass:

Forced in clubs right from the start, South found it rough sailing in his three heart contract and went down a trick.

This was pretty bad, considering that West's three diamond bid could have been severely punished, or failing that, that South could have made four or five odd at spades.

In saying that two errors were made in the bidding I ignored the performance of both West and East, since they at least came out on the right end. Thus, we might merely observe in passing that West had his neck out when he bid three diamonds, and that East should have answered the original take-out double with two clubs, not one no trump.

MR. McMillan Comes  
Up With Smart Idea

We have listened to so many proposals for getting interest in various branches of athletics during our 25 years of active association with sports, that sometimes we are apt to say "Oh, yeah!" when another plan is advanced, but not so this time.

At yesterday's meeting of the Victoria Rugby Union we heard Benny McMillan, a pretty good athlete in his prime, give out with what we consider the best proposal in years for encouraging youngsters to take an active interest in English Rugby.

Under Mr. McMillan's plan senior players selected for Victoria's "Crimson Tide," the "rep" squad in the intercity competition for the prized McKechine Cup, would form a "Players' Club" and then go out and teach the kids the fundamentals of the game.

"I think the youngsters would look up to the 'rep' players and display a keen interest in sport," McMillan added, "and I think this is about the best idea for fostering the game amongst the youngsters."

Needless to say, officials of the Victoria Rugby Union were immediately sold on the idea. As was to be expected, Mr. McMillan was asked to formulate the plan and he readily consented.

Another proposal and a good one, a plan for presenting each McKechine Cup player with a crest, was put forward by Mr. McMillan and it also was accepted.

From this corner it looks as if the Victoria Rugby Union, thanks to the alert Mr. Benny McMillan, has hit upon a real plan to encourage the youngsters. Properly organized and executed, we are confident the plan can do much to popularize and create added interest in English Rugby in this city.

GATHERED FROM  
HERE AND THERE

Canadian Legion footballers certainly handed the Navy a "surprise packet" last Saturday, but according to supporters of the Legion entry "that was only the beginning!"

And speaking of soccer, Bill Harris, Nanaimo, and Donald Smith, Navy, are setting the scoring pace in the Victoria and District Football League. An unofficial tabulation shows Harris and Smith with five goals each. Crowding the leaders are Charlie Musgrave, Wests; Bill Rice, Nanaimo; Alvin Parks, Alec Dallimore, George Payne and Stan Wiseman, V.M.D., all of whom have bagged the netting four times. In third place with three goals is Gordie Hayward, Wests. Players with two markers to their credit include Art Denison, Nanaimo; Gordie Bell, Wests; Charlie Miles, Eddie McCosca and Bernard Crosby, all of the Navy, and Alan Wright, Legion.

Alan Wright, who scored two goals last Saturday for the Canadian Legion, is none other than the well-known basketball player "Rookie" Wright. Victoria's lone representative on the British Columbia Amateur Basketball Association is this Worshipful Mayor Percy E. George. The city's chief magistrate was named honorary president at the annual party held at Vancouver over the week-end. Ivan Temple, energetic secretary of the Temple, energetic secretary of the Victoria and District Basketball League, informs us that inter-city basketball is in the offing. The proposed schedule calls for out-of-town teams to visit here every Saturday night commencing on November 17. Teams in the recently organized Second Division Football League will commence their 1945-46 championship race next Saturday.

Greenshirts Turn  
Back Nanaimo, 4-2Capitalize on Scoring Opportunities to  
Hand Up-Island Footballers First Defeat

HOW THEY STAND	P.	W.	L.	D.	F.	A.	Pts.
Wests	4	3	0	1	12	5	7
Nanaimo	3	2	1	0	14	6	4
Navy	4	1	1	2	12	9	4
V.M.D.	4	2	2	0	16	15	4
Toppers	3	1	2	0	3	5	2
Legion	4	0	3	1	4	21	1

**THIS WEEK'S GAMES:**  
Saturday—Toppers vs. Legion, Royal Athletic Park, 2:30 p.m.  
Sunday—Wests vs. V.M.D., Royal Athletic Park, 2:30 p.m.  
Sunday—Navy vs. Nanaimo at Nanaimo, 2:30 p.m.

Outplayed through much of the game by a smooth-working Nanaimo club, Victoria Wests took advantage of their scoring opportunities and a none-too-solid defense to score three goals in the first half of the final and hand the Up-Islanders their first loss of the season by a 4-2 count at Royal Athletic Park on Sunday before a turnout of 1,300 soccer fans. The win sent the Greenshirts out in front in the Victoria and District Football League standings by a clear, three-point margin. Nanaimo, Navy and V.M.D. share a three-way deadlock for the runner-up spot.

With first place at stake, the clubs came up with the best game of the season as play swung back and forth at a rapid pace from the opening whistle. Led by Art Denison, the Nanaimo forwards, exhibited a pretty short-passing game that had the overworked Wests' defenders hustling all afternoon. Lack of finish, the persistent checking of the defending backs and the sensational work of Vince Clarkson kept the losers from cashing in on their numerous scoring opportunities.

Wests moved into the lead with a neat goal at the five minute mark when Barnwell sent across a perfect pass to Gordie Bell, who gave the ball to Musgrave and the inside right found the net with a

drive that caromed off Watson. The locals were the more dangerous at this stage and missed several good chances.

Travis injured his leg and Nanaimo went on the offensive while the Wests were a man short. Travis came back on in time to accidentally handle in the penalty zone. Clarkson made a great stop of the penalty kick but Sinclair managed to pick up his own rebound to tie the score.

Sparked by the goal, the Up-Island eleven took over and made things more than interesting until the end of the period. Wests could not settle down and were kept chasing the ball by the passing of the Nanaimo forwards and were lucky to escape being scored on. Easterbrook just barely missed after a great attempt and Clarkson came up with a marvelous save on Golobar's first timer just at the half-time whistle.

**WESTS IMPROVE IN SECOND HALF OF GAME**  
Although the visitors started the second half on the attack, Wests gradually began to show signs of life and started to carry the play. Oakman laid a free kick squarely in the goal-mouth from mid-field and Hayward rolled it into the nets from the ensuing scramble to put the Greenshirts ahead. Reside accounted for their third when he tricked the backs and hooked the ball past Williams. Musgrave got his second to put the Wests three up when Reside left him in the clear with a short pass after taking Barnwell's cross.

Coming right back within striking distance, Nanaimo again had most of the play in the final 15 minutes as they endeavored to pull the game out but could only manage a goal by Denison about eight minutes from full time although peppering the Wests' goal. Clarkson was particularly good at this stage and received fine support from his backs and insides, who kept up a persistent spilling game.

silly backfielder, who jumped into the Intercollegiate Union scoring lead a week ago, was idle through injury Saturday and now shares top spot with three University of Toronto backfielders, Bob Henry, Bill Lawrence and Stu Scott, formerly of Toronto Balm Beach, of the O.R.F.U., each has ten points. Before joining Varsity, Scott chalked up 15 points with Beaches.

Tennis Champion Is  
Back From Overseas

OTTAWA, Oct. 29 (CP)—Sgt. Don McDiarmid, Canadian men's singles tennis champion in 1940, returned to Ottawa tonight with a draft of R.C.A.F. personnel who arrived at Halifax on the Queen Elizabeth.

McDiarmid recently won the Canadian forces singles title at the all-service tournament at Hiversum, Holland.

He expects to be in the thick of tennis competition again next summer.

## FOOTBALL WORKOUT

Eagles Division Three and Four soccer clubs will hold a joint workout at Victoria High School grounds tomorrow at 4:15 p.m. All players are requested to attend.

## Soccer Workout

Olympic juvenile soccer team will hold a workout at Central Park tomorrow at 4:15 p.m. Black and Whites will train at the same ground on Thursday at the same hour.

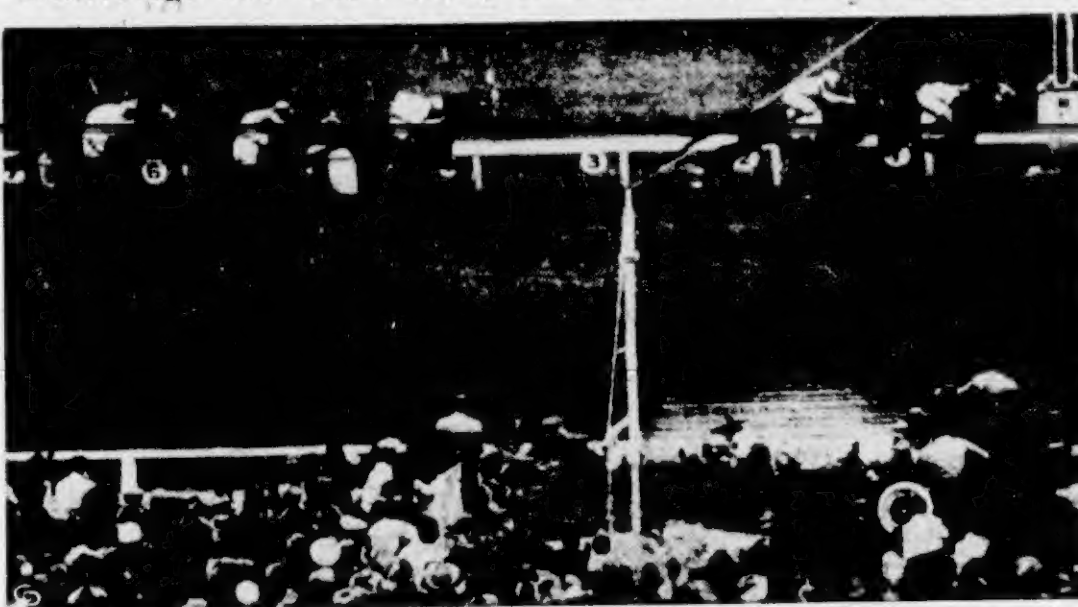

Webb Will Battle  
Phillips Tonight

LONDON, Oct. 29 (Reuters).—When Danny Webb of Montreal, meets Al Phillips in tomorrow's sellout fight at Albert Hall here, he may be walking the path to the British featherweight boxing title.

Sports writers here regard it as a matter of course that the winner will challenge British Empire Champion Mel Tarleton, who is soon to be discharged from the R.A.F.

The Montreal negro came back last week after a long layoff to post an easy victory over Ben Duffy, who entered the ring suffering from bronchitis and an arm injury.

R. H. "Bob" McInnes to  
Manage "Rep" RuggersRugby Union Names Veteran to Important  
Post—Major Buller Coach—Announces Games

Bent on recapturing the coveted McKechine Cup, symbolic of British Columbia Rugby supremacy, officials of the Victoria Union at their weekly yesterday took the first important steps along the McKechine Cup trail by naming the team manager, coach and the selection committee.

Back into the "Rep" picture came two veteran performers and well-known figures in the positions of manager and coach, R. H. "Bob" McInnes and Major Bert Buller. This combination has worked together for many years on the J.B.A.A. team and should work to perfection with the "Rep" squad.

After considerable discussion the delegates decided to increase the selection committee from three to five, feeling that the larger committee would be better able to view all of the potential candidates. The selectors will name 20 players, with the final selection of the squad to rest with the coach. Named to the selection committee were: John Rowland, Navy coach; R. H. "Bob" McInnes, J.B.A.A. manager; Denis Crockett, men's athletic director at Victoria College; R. D. McInnes, secretary of the Victoria Rugby Union; and Benny McMillan, referee and former J.B.A.A. and "Rep" player.

Victoria's first McKechine Cup game is billed for Saturday, November 24, at Varsity Stadium, Vancouver, with the Varsity Thunderbirds, present holders of the silverware, providing the opposition.

Getting back to the local picture, four of the five senior fixtures will see action this Saturday, with games scheduled at Windsor Park and Admirals Road.

Oak Bay Wanderers will signalize their return to the senior Rugby fold when they stack up against the Royal Canadian Naval College rugger at Windsor Park.

At Admirals Road, home ground of the Royal Canadian Navy, the bluejackets will make their season's debut against the J.B.A.A.

Games are set for 2:30 p.m.

Two Intermediate League fixtures are also scheduled this week. At Windsor Park, Oak Bay High School will play hosts to Royal Canadian Naval College tomorrow at 3:45 p.m., and on Saturday Victoria College will oppose Victoria College at Fernwood Road on Saturday at 2:30 p.m.

At the suggestion of P. A. Gibbs, the Rugby Union decided to go into the matter of hospitalization for injured players. Major J. C. MacDonald, president, R. D. McInnes, secretary, and A. H. Cox were appointed a committee to look into the matter and report back at the next meeting.

British Open Will  
Be Held Next Year

LONDON, Oct. 29 (CP)—The British open golf tournament, last held in 1939, will be renewed at the famous St. Andrews course in Scotland, July 1-5, 1946.

The amateur championship will be decided in a tournament at Birkdale, Southport, May 27-31.

The announcement of dates and sites for Britain's first postwar major tournaments, noted that no plans had been made for the resumption of Walker Cup matches.

McCague Resumes  
Duties as Coach

J. McCague, popular coach of the Victoria Amateur Swimming Club, informed the executive at their last meeting that he would be able to resume his duties as coach for the coming season and will take charge of the team at the swimming classes at the Crystal Garden on Friday night at 6:30. Any member wishing to enter the city championship will be asked to give their name to the coach on Friday.

Following is the schedule of classes for club members:  
Mondays, 7:30 p.m.—Life-saving classes under the instruction of T. Wellburn.  
Wednesdays, 4:45 p.m.—Life-saving classes under the instruction of Lorna Lee.  
Thursdays, 4 p.m.—Swimming classes for juniors under the instruction of Mrs. R. W. Hiberson.  
Fridays, 4:30 p.m.—Swimming classes for juniors and seniors under the instruction of J. McCague.

## PAR COMPETITION

Pinotting 1 up, Bert Snape won the par competition Sunday at the Gorge Vale Golf Club. Runner-up honors went to E. Barber, who finished 1 up.

## The Sporting Thing

By LANC ARMSTRONG

"Aw, come on! What can you see that you haven't already?"

Boucher Picks Leafs  
To Win Hockey Title

WINNIPEG, Oct. 29 (CP)—Frank Boucher, coach of New York Rangers, picks Toronto Maple Leafs to win the National Hockey League championship this season.

"With Syl Apps and several other star players released from the armed services, Leafs look like the team to beat," Boucher said here in picking Leafs to top the N.H.L.

He said that Boston Bruins would rank second, with Montreal Canadiens third, Chicago Black Hawks fourth and Detroit Red Wings fifth.

When asked where Rangers would finish, Boucher smiled and said: "We will finish somewhere among the other teams, but where I am not saying."

"Bruins can upset the old applecart if the famous Kraut line—Porky Dumart, Milt Schmidt and Bobby Bauer—hit their true stride," Boucher said. "They also have Terry Reardon back on the squad."

Wings Trounce  
Boston Bruins

DETROIT, Oct. 29 (CP)—The Detroit Red Wings trounced the Boston Bruins 7-0 in a hockey game Sunday.

HOW THEY STAND	W.	L.	D.	F.	A.	Pts.
Detroit	1	0	0	7	0	2
Canadiens	1	0	0	8	4	2
Chicago	1	1	0	9	12	2
Toronto	0	0	1	1	1	1
Boston	0	2	1	5	13	1
Rangers	0	0	0	0	0	0

Sundays' score: Detroit 7, Boston 0.

## GAMES THIS WEEK:

Wednesday—Rangers at Chicago.  
Thursday—Toronto at Canadiens.  
Saturday—Detroit at Canadiens; Rangers at Toronto.  
Sunday—Canadiens at Boston.

DETROIT, Oct. 29 (CP)—The Detroit Red Wings impressed their largest opening day hockey turnout in history Sunday by whitewashing Boston Bruins, 7-0, with 13,748 customers looking on. Left-Winger Adam Brown scored three goals.

Detroit's youthful goal-tender, Harry Lumley, turned away only 13 Boston shots, on goal in hanging up the league's first shutout of the young season.

Brown, returned to the Red Wings after release from the Canadian army, scored once in each period, tipping in Carl Lacombe's lone one in the first, driving a five-footer past Goalie Paul Bibeault in the second and scoring on a 20-foot shot in the final stanza.

Syd Howe, Joe Carvelin and the Brunetteau brothers, Eddie and Mordie, each scored once as the Wings popped in two goals in the first and last periods and three in the second.

Bobby Bauer, right-wing on Boston's famed Kraut line, was put out of action with a shoulder injury in the second stanza on a stiff check by Detroit defenceman Jack Stewart, playing his first league game since 1943 after a service release.

The Red Wings made things hot for Bibeault all night, giving the Boston net in under 39 chances.

## SUMMARY

First Period—1, Detroit: Howe, 8:46; 2, Detroit: Brown (Lacombe) 18:15. Penalties—Brown, Henderson, Crawford, Gallinger.

Second Period—3, Detroit: Carvelin (Stewart, Lindsay) 5:11; 4, Detroit: E. Brunetteau (Howe) 13:54; 5, Detroit: Brown (Armstrong) 15:04. Penalties—Stewart, Brown.

Third Period—6, Detroit: M. Brunetteau (Lindsay) 4:01; 7, Detroit: Brown (M. Brunetteau, Armstrong) 10:02. Penalties—None.

## Canadian Football

Johnny's Coffee Shop and St. Louis College turned in victories in the opening double-header of the Canadian Six-Man Football League at Central Park on Sunday. The former grabbed a close 7-5 decision from Goblins, while Collegians had things a trifle easier in setting back the J.B.A.A. entry, 12-5.

North Vancouver  
Gridders to Play  
Locals SaturdayCoach George Deacon's Protoges Will Meet  
Victoria Mustangs in Inter-City Fixture

With all of their scheduled games with American High School eleven canceled, Victoria Mustangs will finish out the season against Mainland High Schools. Head Coach Bill Bishop announced last night. First game of the new series will be played here at Macdonald Park on Saturday when George Deacon, former coach of the Victoria Revellers, will bring over his Vancouver North Shore Club.

Change of schedule also embodies a change of playing code and all future games will be played under Canadian High School rules, which permit unlimited interference but make use of a 12-man team.

To meet the change of rules, Coaches Bishop and Smith are busy putting the Mustangs through a new set of plays. Al Denoni, elusive right-half, has been moved over to the fullback spot, left vacant through

the injury to Len Scott, out for the season with a torn cartilage incurred against Vancouver Blue Bombers.

Other changes will see Tackle Tom Konkin alternate between blocking back and tackle with End Ted O'Brien also moving from his regular spot to spell Konkin in the backfield. John Peck is slated to be moved from his spot at end to alternate at fullback with Denoni. Mustangs will complete their drilling for Saturday's game with a heavy scrimmage on Thursday night and a chalk talk the following evening.

North Shore are rated one of the top high school clubs in Vancouver, losing by only two points to the powerful Kitanoan squad in their last game, and will probably have an augmented line-up for their game against the Mustangs. Present arrangements call for the appearance here of the Kitanoan club the following Saturday.

## Sailors' Nose

Out Eagles in  
Cage Thriller

With their three entries in the Victoria and District Basketball Association all seeing action and their Drum and Bugle Corps on hand to lend the required support, Eagles had their "night" at the Victoria High School gymnasium last night, winning two of the three contests they participated in and missing a clean sweep by the narrowest of margins. Despite a 30-point "spot" Eagles had little trouble defeating Bob Whyte's Hotshots, midwest girls' club, 64-41. Eagles intermediate "B" squad were easily the better club in trouncing a green St. Louis College quintette, 43-21. The senior "B" team lost a thriller to the five from H.M.C.S. Uganda with John Bayduck, better known for his baseball activities, sinking the winning basket with seconds left to give the sailors a 29-25 verdict.

Two evenly matched clubs, the Eagles and Navy battled it out with never more than three points separating them at any time. Eagles moved ahead 8-5 at the end of the first quarter, were outscored by the same margin in the next period and split the 14 points scored in the third session. A basket by McCorkill and foul shots by Hartley and Davies gave the birdmen a three-point lead with five minutes left.

Bayduck, who potted 15 points and was the standout player on the floor, tied the count at the two minute mark by sinking a basket and one of two free throws. Davies was fouled and made his shot count to put the Eagles ahead. Cahill missed a free throw but Bayduck grabbed the rebound to push up the winning basket as the final whistle sounded.

Much too experienced for their opponents, Eagles ran through the St. Louis College team for an easy triumph after getting away to an eight-point lead in the first quarter. McCorkill and Browning, with 10 points each, and Ellis, with nine, topped the scoring for the winners. McDougall garnered 11 points for the Collegians.

Teams and scores follow:  
H.M.C.S. Uganda: Modell, Francis 2, Cahill 1, Clarke 2, Whitman 2, Bayduck 15, Bell 1, Handelman, Fairley, Province 3, Total 26.

Eagles Senior "B": McCorkill 4, Milburn 4, Hartley 10, Van Druen, Williams, Davies 5, Harn, Knappett 2, Total 25.

Eagles Intermediate "B": McMillan 10, Tooby 2, Browning 10, Ellis 9, Page 5, Anderson, Crabbe 7, Leonard, Total 43.

St. Louis College: Monaghan 4, Clarkson 1, French, O'Neill 1, MacDougall 11, Vaesen, Griffin, O'Brien, Oakley 4, Glancy, Total 21.

Hotshots: Kennedy 6, F. Bartlett 2, Mattison, Kerr 1, Keast, Mason 2, V. Bartlett, Noye, Cockburn, Ritchie, Total 11.

Eagles: Barry 25, Pettigrew 20, Yeaman, Kallenbach 10, Vallance 4, Simpson 1, Burnett 2, Hendee 2, Greig, Total 64.

## WILL JOIN BRUINS

TORONTO, Oct. 29 (CP)—Bingo Kammham, Toronto Maple Leaf defenceman recently released from the Canadian army, will join Boston Bruins of the National Hockey League, Leaf Coach Happy Day announced today.

Mell to Relinquish  
Featherweight Title

MONTREAL, Oct. 29 (CP)—Gus Mell, reigning Canadian featherweight champion, announced today he is giving up the title which he won from Kid Point, of Montreal, in a decision bout in June, 1944, and has twice defended via the knockout route since. Official notification has been sent to the Canadian Boxing Federation and the Montreal Athletic Commission.

Mell, who faces Maxi Shapiro next Friday at the Forum here, said: "I have no intention of fighting as a featherweight again, as my keep some other guys from trying for it." He now is fighting at 135 pounds, the lightweight limit, and says it is his best weight.

## FOOTBALL MEETING

A meeting of the Victoria and District Football League will be held in the board room of the Britannia Branch tomorrow evening at 8. Formation of a second division league and selection of an all-star team to oppose Vancouver St. Savours here on Monday, November 12, will be discussed. All teams are requested to have delegates present.

**NEW RATES FOR FIDELITY AND SURETY BONDS**

HERETO it has been the custom for Surety Companies to charge the same rate for Fidelity and Surety Bonds regardless of risk—that is, without reference to the character, experience and financial responsibility of the individual or firm applying for the Bond.

This practice has been time-honoured, but the North America Companies have decided to change it. Henceforth the cost of Fidelity and Surety Bonds will be related to risk—each case being rated upon its merits. Standard Rates will apply to Standard Risks but where firms or individuals qualify on character, experience and financial responsibility for minimum (or preferred) rates, they will get them from North America Companies.

When applying for Fidelity and Surety Bonds, it will be advantageous to you to have your Agent or Broker secure a proposal from North America Companies.

Business accepted solely through Agents and Brokers.

These tugs may be viewed at Bidwell Bay, North Arm. Arrangements will be made to have a launch meet clients at Deep Cove and take them to the mooring site.

The days fixed for inspection are:

Wednesday, October 31 Between the hours of 10 a.m. and 12 noon, and 2 p.m. and 4 p.m.

Thursday, November 1 Between the hours of 10 a.m. and 12 noon, and 2 p.m. and 4 p.m.

Friday, November 2 Between the hours of 10 a.m. and 12 noon, and 2 p.m. and 4 p.m.

It will be necessary for parties wishing to view these boats to obtain a pass from the W. A. C. office at 404 Hastings Street West, without which they will not be allowed aboard.

The closing date for receiving tenders will be noon Wednesday, November 7, all tenders to be marked "Tender No. 116 Tugs," and addressed to the above office, accompanied by a certified cheque for 10% of tender price.

The highest or any tender may not necessarily be accepted. Cheques will be returned to unsuccessful tenderers.

**Conn Appears in Exhibition Bout**

CLEVELAND, Oct. 29 (AP)—Billy Conn, the former soldier who made Joe Louis next summer in his second bid for the world heavyweight title, displayed more punch than punch tonight as he staged his first exhibition in preparation for the Louis scrap.

**The smiling Irishman's midweek**

swings to the arms and midsection. Conn appeared fast with the big gloves and moved almost like the Billy of yore. His weight was not announced, but Jack Kearns, former manager of Jack Dempsey, said he probably tipped the scales at 192. Jones weighed 198.

**LIVE DOWN, KENT UP**

That means you can scrub the ground floor suite of this dwelling immediately and let the upper portion, the rest of which is fixed at \$23.90.
